## PARTNERSHIP OFFER

# OFFSHORE WIND ENERGY CUP

Sopot, 19-20.05.2024

## about the event

'PIMEW OFFSHORE WIND ENERGY CUP' is an annual sports event established 4 years ago, a pre-event to OWLS Conference, dedicated to offshore wind industry representatives, offshore wind friends, and supporters.

Together with VULCAN Training & Consultancy, co-organizer of the regatta, we invite you to participate in the event in which we combine great integration and networking, sports competition, and fun, all served in a relaxing, familiar atmosphere. The event is prepared in a fully professional way, in cooperation and partnership with the Polish Sailing League, and since 2022 stands for a constant part of the PTMEW/PIMEW events calendar. It also supports a great promotion of the Company's brand through sports activities.
